Due to the nature of the project, a lot of emotions are involved and we can't afford to have a child's feelings hurt by dropping out early. If you are planning on going out of town for an extended period of time, we will allow you to send us two months worth of drawings at one time time to ensure your child's drawings are received on time for the shipments over seas.

If you're still unsure whether you will be able to deliver one drawing per month, please wait until the time comes where you feel your child can truly commit to this experience.
